	)	SOUTH, INC.'S MOTION
	)	IN ABEYANCE

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the Complaint of Richard Ware regarding toll charges incurred when dialing from prefix 272 to prefix 390. Although both prefixes are located within the city limits of the Town of North Myrtle Beach, Mr. Ware’s complaint states that he is charged a toll when dialing from prefix 272 to prefix 390 but not when dialing from prefix 390 to prefix 272. We order the Commission’s Docketing Department to set the matter of Mr. Ware’s Complaint for a hearing. Additionally in this docket, Verizon South, Inc. (“Verizon”), a named party in the Complaint, requests that it be dismissed from the matter, arguing that it should not be a party to the proceeding. We find that Verizon’s motion is premature and hold that this request shall continue to be held in abeyance.

This Order shall remain in full force and effect until further order of the Commission.
